Dear Potential Sponsor;

Troyanda Ukrainian Dance Ensemble is excited to announce their Fifth Annual Fundraising Golf Tournament taking place June 18, 2017 at Kildonan Park Golf Course in Winnipeg.

Troyanda, translated from Ukrainian to mean "rose", is seen by many as a symbol of love. Established in 1979, Troyanda has grown to be one of Canada's most vibrant Ukrainian dance ensembles. Performing traditional dances by local and world-renowned choreographers, Troyanda's elegance and energy captures the essence of Ukrainian culture through dance.

Why do we exist?

Troyanda is a family of dancers - a second home where love of dance, pride of culture and passion for excellence are celebrated and shared.

What do we do?

Troyanda is a Canadian-Ukrainian dance ensemble that provides professional training, choreography and performance.

What are our values?

Openness; Inclusiveness; Professionalism; Determination; Discipline

To ensure the success of this fundraising event, we are currently seeking individuals and businesses to be sponsors for our tournament. All monies raised through the tournament will assist the members in transporting costuming to Ukraine during their summer 2017 tour.

For details on how to become involved, please refer to the attached sponsorship package.

On behalf of Troyanda Ukrainian Dance Ensemble, thank you for your consideration in helping to make for a successful event.

Sincerely,
